

## **MRS. RAWLINS' NON-TRADITIONAL LAB & PROJECT SUPPLY DONATION LIST**

Dear Parents,

I am a very hands-on teacher and we a lot of labs and projects in my class. Here is a breakdown of items or supplies that would be helpful by term. Thank you for supporting our classroom. All donations are greatly appreciated. We can use Clorox wipes, glue sticks and tissues anytime!

If you are donating lab items. Please send the supplies to school with your student during the first week of the term listed.

### **Term 1**

\$5.00 donation for Minecraft education. I will be purchasing a Minecraft Education account for every student in the grade during the second week of school. These accounts will be used for various projects throughout the school year. Donations can be brought to my classroom or the office.

rubber bands, individual bags of mini-Oreos, vegetable oil, binder clips, air dry clay (any color), brads, foam balls (different sizes), balloons, washable paint

### **Term 2**

toilet paper rolls, cardboard boxes, washable paint, scotch tape, masking tape, hot glue gun sticks, mini marshmallows, toothpicks, plastic bags, aluminum foil, plastic cups, bath color tabs, zip lock bags, plastic wrap

### **Term 3**

plastic cups, popsicle sticks, straws, hot glue sticks, cardboard boxes, popsicle sticks, cotton balls, balloons
